Dear Parents and Patrons:

Roberts Elementary is a premier school in the northwest portion of the city that has reached its capacity in terms of enrollment. We must make major adjustments to satisfy the required needs of the school in order to be in compliance with state law. At present, we are still above the capacity of the school with Kindergarten through 5<sup>th</sup> grade attendance zone students.

In order to accommodate students in Kindergarten through the fifth grade who must attend school, we had to make a difficult decision to remove the P-4 program at Roberts to provide classrooms for K-5<sup>th</sup> grade students. You listed Roberts as your first choice and have the opportunity to revise the choice options. Your revisions will be accepted at the Student Registration Office at 501 Sherman St. will on the dates and times below:

Tuesday, March 12 – 8:00-6:00

Wednesday, March 13 – 8:00 – 6:00

Thursday, March 14 – 8:00-6:00

All applications must be processed at the Student Registration Office at 501 Sherman Street by 6:00, Thursday, March 14 at 6:00. Applications will not be accepted via U.S. mail or fax due to the limited window for revisions. No revisions will be accepted after this time.

If you elect not to revise your application, your second choice will become your first choice in the lottery process.

Sincerely,

Dr. Frederick Fields
