

Sir or Madam,

My name is Anastasia Rose Roberts, and I was wondering if it were at all possible for me to marry my fiancé who is in the ADC system from county jail. The fiancé in question is VV Connor Atchley. He is in the Varner Unit ADC #1164376.

It is very important to us we get married soon so that we do not have to wait his entire sentence to be wed. It is also important so we can write each other while we are incarcerated. Me and him have been together for nearly four years, two of which we have been engaged, so this is no spontaneous act we will regret later. Thank you for your time, please consider my request. Thanks again and God bless you.
