

The Honorable Mike Beebe  
Governor of the State of Arkansas  
Arkansas State Capital  
Little Rock, AR

Dear Governor Beebe:

When I became a trustee, one of the first things I learned is that you always put the best interest of the university first. It is for this reason I am offering my resignation effective immediately. UCA is a great university and it is time the public focused on the school's good attributes. It has been a tremendous privilege to serve UCA as a member of the board of trustees. You will never know the depth of my gratitude for allowing me to serve in this capacity. I wish my fellow trustees, the administration, and all the governing bodies on campus great success in all their endeavors to grow and continually improve this great institution.

Sincerely,

Scott Roussel
